### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 8, 13, and 18,

The prior art of record does not teach or fairly suggest depatternization of signals despread by the logic processor using pilot symbol patterns corresponding to the two transmission antennas of the base station, and performing accumulation and addition processes of the signals that have undergone depatternization to output signals corresponding to the transmission antennas wherein the energy values of the signals corresponding to the two transmission antennas are compared to determine if space-time block-coding-based transmit diversity encoding of the base station is being used.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Sol whose telephone number is (571) 272-5949. The examiner can normally be reached on M-F 7:30am - 4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hassan Kizou can be reached on (571) 272-3088. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
